# Our Brand Story

Last One Standing is an Events Management Company dedicated to delivering meaningful and memorable events. With an initial focus on entertainment events, Last One Standing today expands beyond its horizon of events, spanning across small to large events; personal to corporate events; private to public events; and events that are open-for-all to ticketed events. As a company that strongly advocates community building and spontaneity, Last One Standing has always been committed to building long lasting relationships with people through events. With our Tagline, From the start, to the end—our promise to you: Through It All.

## Event Management

We handle every aspect of your event, from initial concept and creative design to seamless execution and post-event analysis. Our integrated services—including expert event planning, cutting-edge production and technology, and meticulous operational logistics—work together to create a truly unforgettable experience, perfectly aligned with your vision, target audience, and budget. Relax—we'll manage every detail.

# Event Operations & Logistics

We provide comprehensive event operations and logistics management, ensuring seamless execution from start to finish. Our expert teams handle all logistical details, such as:

- venue sourcing and management
- food & beverage
- event manpower and security
- stage, tents, booths, and other furnitures for events
- branding & decoration
- permits and compliance such as LEW drawings, PE endorsements, and other licenses
- fringe activities

We develop detailed plans, timelines, and budgets, proactively anticipating and mitigating potential challenges. Our proactive approach and attention to detail guarantee a smooth, efficient, and stress-free event, allowing you to focus on your guests and the overall experience.

## Event Production and Creative

We deliver immersive and impactful experiences by blending creativity with technical expertise. We manage all behind-the-scenes elements, while ensuring seamless integration with the event's theme. Our creative team develops unique concepts and stunning visuals that resonate with your audience and reflect your brand identity, such as:

- stage, event theme, and key visuals design
- lighting & visuals (LED wall, interactive displays, video projection, etc.)
- audio production & engineering (sound system, interpretation equipment, etc.)
- live-streaming and hybrid event production
- event key visuals
- event talent management (emcee, musicians, interpreters, etc.)

# Event Technology

We leverage advanced Event Technology to create immersive and engaging experiences. Our services include the latest technological products to ensure the smooth operations of your events, such as:

- management of virtual and hybrid platforms
- event registration and ticketing systems
- event data analytics
- race-timing systems

Our dedicated team also provides technical support and on-site management to ensure smooth integration and operation of all tech components.
